BERİKA TEKNOLOJİ MEDİKAL, sektörde uzun yıllar tecrübe拥有的一个欧洲公司与土耳其商人一起成立于2010年。中心办公室具有独特的物流地位，战略意义重大，生产方面也非常重要。因此，我们选择了Konya作为我们的总部，因为它是一个强大的工业中心，具有战略位置，生产设施和良好的物流系统。

首先，为土耳其市场进口单次使用的商品。2011年决定生产医用气体设备，并在2013年完成生产范围。现在我们在20多个国家有分销商。

2015年，开始生产一次性注射器，而不是进口。生产区域完全由自动化系统控制，符合GMP标准。

我们与客户保持永久联系，通过这种方式，我们不断改进并根据医院的需求开发产品。

我们始终关注产品的设计和质量，以达到客户满意度的最大化，同时关注价格，以提供最佳的价格-质量比。

我们的成功基于专业人员和客户满意度。

BERİKA TEKNOLOJİ MEDİKAL has been founded in 2010 by European company along with Turkish partner both with great experience in medical sector and international trade. We have chosen Konya as our head office because it is a strong industrial center and has a strategic position, production facilities and well developed logistics system.

We started from importing disposable goods for Turkish market. In 2011 we decided to produce medical gas equipment and completed production range in 2013. And now we have distributors for medical gas equipment in more than 20 countries.

In 2015 we started to produce syringes instead of importing. Our production area is fully controlled by automatization system in accordance with GMP standard.

We are permanently keeping contact with our clients and by this we are constantly improving and developing our products according to hospitals' needs.

We always give attention to the design and quality of our products to reach the maximum of customer satisfaction as well for the price, to offer the best price-quality ratio.

Our success is based upon our professional staff and full customer satisfaction.
